ASHES AT SEA

Bluewater Sailing is quite experienced with and sensitive to the needs of our customers who wish to partake in this type of special ceremony. We offer high quality vessels for intimate gatherings of family or friends, with funeral services, which can be conducted under sail or power.

Our typical timing is a 3 - 4 hour, ½ day skippered charter, where we provide both vessel and Captain, although longer periods of time can be arranged. This schedule allows for approximately 60 minutes transit to and from the approved site offshore in Santa Monica Bay. It also provides approximately 1 - 2 hours for your planned service for family and friends, which often includes the scattering of beautiful flowers across the sea and subsequent time for quiet reflection.

Bluewater Sailing has been helping people with their boating needs for over 25 years. All of our experienced captains are professionally qualified and average more than 20 years experience on the water.

Our boats for these special circumstances range in size from 27' - 42' and are nominally certified for up to 6 passengers per boat. However, arrangements can also be made for up to 12 individuals on larger vessels. In addition, we have the ability, experience and capacity to provide for multiple boat charters to accommodate even larger groups of family or friends.
